### **Partisan Races:**

#### **Pre-primary:**

Individual Officers of the Kenosha County Democratic Party and the Kenosha County Democratic Party as a whole will make no pre-primary endorsements of Democratic candidates.

Officers should not publicly support a candidate pre-primary, which includes social media posts promoting one candidate over another and publicly working on a campaign.

#### **Post-Primary:**

Full public support and campaign work by Officers is allowed.

The KCDP Board will make endorsements on a case by case basis and if a candidate agrees to the endorsement.

### **Non-partisan races:**

#### **Pre-primary:**

Individual Officers will make no public support pre-primary which includes social media posts and publicly working on a campaign unless:

1. the state Party makes an endorsement, or
2. KCDP Officers vote to make an endorsement as a board.

#### **Post Primary:**

If multiple Democratic candidates are running against each other for the same seat, the pre-primary rules apply.
